Education

2003 - 2005	M.Sc. in Computer Science from the University of Aarhus, Denmark. Achieved the grade 11 in final project in algorithmics. Refer to Wikipedia for an explanation of the Danish 13-scale grading system.
2000 - 2003	B.Sc. in Computer Science and Mathematics from the University of Aarhus, Denmark. Achieved the grade 13 in final project in compiler theory.
1997 - 2000	Vejle Business College in Vejle, Denmark.

Employment

July 2010 - Present	Senior Specialist at Netcompany A/S in Copenhagen, where I have worked with Microsoft Dynamics CRM 4.0 and 2011, .NET and WCF.
2005 - July 2010	Software developer at Systematic A/S in Aarhus, where I have primarily worked on mission critical systems for the defence sector. An example is SitaWare, a command/control system used for tracking friendly and hostile units in military operations using network communication over both radio and LAN.
2008 - 2009	Stationed in Tampere, Finland for Systematic A/S. The Systematic headquarters are in Aarhus but a branch was recently opened in Finland. During this period I was part of a distributed Scrum team with part of the team in Denmark and part of the team in Finland.
January 2007 - August 2007	I took leave from work and travelled alone around the world.
2004 - 2005	Part time software developer (20hrs/week) at AarhusKarlshamn (then Aarhus United and before that Aarhus Olie) in Aarhus. The company is a manufacturer of vegetable fats and oils and I worked for the internal IT department making primarily workflow applications in Lotus Notes and Java for internal use.
1998 - 2000	Self-employed web developer with friend. My friend has since continued working with web development and I still do some freelance work for him.
